

The Hallmark 1975

"... that laws and institutions must go hand in hand with the progress of the human mind ...

manners and opinions change with the change of circumstances, institutions must
advance also, and keep pace with the times . " Thomas Jefferson

Editor's note:

MY FUTURE LOST

Dizzy clouds spiderwebbing across a bleak sky
give warning of the coming storm.
I shall be walking then
along the slippery paths
waiting to catch on the tip of my tongue
Snowflakes
those crystal balls of the future.

* * *

Later, the blizzard has ended.
Snow dunes leap before me
with glistening golden sun
and soft amethyst shadows
pocketing glimpses in checkerboard array.

In the sparkling diamond snow
a rainbow of revelation appears.
To think
as I walk these white-powdered roads
each crystal ball is inevitably shattered
my future lost.

The bees buzz
but there is no honey in their talk
Only a selfish yearning
to control the hungry bears.

Oh bees —
Leave the bears alone
Perhaps they'll find something
other than honey
To substitute for the golden money.

There is something
supersickening
in the sugarsap
sliding
through
the slimeswollen veins
of a pseudo-sanguine
acer rubrum

time child
ticked her way through
academic sludge.
The journey slowed
to a halt.
She's at the jewelers now
for minor repairs

Snow pointillism
blinds my eyes
My brain is fogged
clogged
water-logged
with dulled droplets of disorder.
Spirit laden with trouble
pile of rubble
Where's the release —
The break in the low-lying clouds?

I want to cut these heavy clouds
in a rocket ship
Zoom
straight up
Leaving my mark
in an iridescent trail
of exhaust fumes

the tarantula
couldn't spin her web today.
instead
she poisoned life.

The soot on the windowglass
 greyed distances too far to see.
 Monkey Heads bent over
 with eyes attached to black type on white.
 Not one looked up —
 so entangled in the jungle of words.
 The Ostrich stretched her neck —
 above the sands of desert intellect
 To a sky of colorful advice for better living.
 And stepping out into an oasis of dirty streets, graffiti billboards,
 pushes and shoves, blasting horns, flaring-tempered talk —
 She reached those distances too far to see.

singing
 swinging through the skies
 laughing
 wafting sun in my eyes
 smiling
 dialing telephone calls
 to long-distance halls
 surrounded by walls.

I cried sweet tears for you today
 They didn't tell me you were a diabetic.

IONIZATION (or The Separation of Charges)

Arrows of advice
 shoot from all directions
 Not one has hit a bull's-eye!

Electrical Repulsion
 overpowers
 Electrical Attraction
 Theatre of the Absurd
 nothing holds
 spirits drift aimlessly
 We are all
 loose wires
 electrocuting each other.

I felt like an extension chord
 plugged in too deeply
 couldn't cut the circuit.
 Today —
 I slit my negative heartwires
 with a positive razor-blade
 And now
 in my neutral freedom
 I wonder —
 should we have it out?
 a lightning storm
 with ionized flashes
 or should we let things die
 a natural death?

The lion takes great pride in his lineage
 Mass of mane proves that.
 But when the thick is shaved
 no matter how well behaved
 he cannot be saved.
 A touch of dog turns the color of his blueblood.

He is not real
 cannot feel
 forgets how to wheel and deal.
 Oh Love —
 be natural
 You need no camouflage
 Expose your naked core
 and you shall be secure.

THE BUST

A stock-market of emotions
 crashed today.
 Rising and falling for quite sometime
 Now the final blow —
 or final bow.
 La pièce de résistance est fini!

Trust-bust with the Board of Directors today
 The Rough Rider came through in a big way
 I'm a louse
 a mouse
 a souse
 for ever having loved you.

The Bulls
 had faith in the stock
 thought the value would rise endlessly
 But now they know
 it's just a whimp
 a bang-dropped blimp
 carried away by the
 jerky graph of love!

HIGH ON ABSURDITY

Punch and Judy
Laugh at me.
The orange peeled itself:
no sections for anyone!
Ha!
Ha-Ha!
Ha-Ha-Ha . . . !
Squared circles
Moonless nights
Rainbow blues shoot through the sky
Falling star
twinkle out
Beginnings without ends
curves without bends.

Amoral monkeys steal bananas
And why not?
They're hungry.
The cuckoo tells the time:
The parrot speaks the truth
Oh to be young and care
free of all absurdities . . .

Jewish insane asylum
Platinum blonde spaghetti
\$! barbed wire blocks my path
Can't cut through to you
my porcupine protection shaved —
rose petals crumble like yellowed newspaper
dustballs consume the verdant spring.
Oh Life — Vacuum me with a suction cup.
I want out.

THE STARCH TEST

You see in front of you
a sad sack of potatoes.
For Today's Chemistry Lesson
We shall perform The Starch Test.

Five drops of iodine —
the potatoes turn blue!
Starch must be present:
carbohydrate tears
fatty material
Too much, you know,
is bad for the heart.

The masquerade is OVER
FINISHED!
FOREVER!
Mask uplifted
Brain out-turned
LIGHT OF DAY SHINES IN KALEIDOSCOPIC WAVES!
Ahh . . .
I breathe once more.

Peals of Laughter
from belltowers on high
Cling-Clang brilliantly through the sky —
RHAPSODY IN RAINBOW CLARITY!
Truth rings
Like the Liberty Bell
(without a crack this time!)

My pretty boy —
Play no more with your toy
IT'S A LIVING DOLL!

ALL IS PAST

Late one still night
I sat alone
with only the ember glows
of a sinking fire
to light my thoughts.

I grew calm
listening to the
steady heaves
and rhythmic thumps
of my heart.
And in this peaceful solitude
I realized
All is past
All is past.

The turbulent waters
of the polluted river
have iced over.
They lie dormant in winter's dream.
A smooth sheet of metal
mirrors
the solitary bitterness
of my anemic heart.
All is past.
All is past.

A LESSON IN GEOMETRY

Two dots
between two numbers
A simple ratio.
The earth, the sun and the moon
axis of connection.

Life
a parabolic curve
The ends don't meet
The vertex is imaginary.

Jealousy
a triangle
The strain between
Three attention-seeking vertices.

Misunderstanding
two parallel lines running in opposite directions
never to converge.

Let us construct circles
round off the sharp edges
to produce
absolute unity.

ETHNIC MENTALITY

Wasps sting to immune themselves
from shifting power and security struggles.
Jew cling masochistically to the
burnt offerings of Dachau and Auschwitz.
Irish sing nonsensical limericks
in dazzling red-white-and-blue politics.

Indians are caught red-handed
watching old westerns of the Great White Spirit.
Blacks take their coffee straight —
without cream or sugar.
Japs produce-produce in assembly lines:
mind-cheese chopped and packaged.

Each has its crutch
to face a prejudiced world.
The blind lead the blind:
and we all fall into a ditch.

Alexander Graham Bell
Won't you kindly go to Hell!
Your invention stinks
It causes kinks
in the straightlined order
of my peaceful life.

I hate your gutless liarwires
Carrying the ashes of burning fires
They infiltrate the region of choice
And block the paths of my raging voice

It's absurd
But a word
Seems to lose its power
Operated into a wilting flower
I must avoid this noose
I have better use
for my bloodfilled pen.

Flirting is a magnificent art:
A necessity to the femme fatale.
Women's Lib may turn up her nose,
Disregard a girlish pose,
And declare MEN her foes.
But a wink, a giggle,
and an alluring stare
Leaves any man totally bare.

So Onward You Carefree Women!
Love 'em and Leave 'em!
And never stop to think
Whether you're taken seriously.
That would be the death-thought
of all your power:
An opening in the snare
in which your foes are caught.

Jasmine
rose-budded
whiffs of spring
Beckon at my door
Come in.

Thick
resilient
rays of light
Filter through lace
to guide my sight.

My heart-flame
dances atop the
dappled waves
of spring's kiss —
rollicking
frollicking
in eternal bliss.

Every year your clothes and cosmetics change.
Which is why Crane doesn't believe
your stationery should stay stationary.

Look at your stationery as playing the same role as your lipstick.
Or your perfume. As something that reflects your taste.
And when you do, we think you'll choose from our beautiful selection of
Crane stationery. Crane is considered to be the most beautiful stationery made.
And the finest. So choose Crane.
Then we'll understand you letting your stationery remain stationary.

i have always wanted to count the
ties on the railroad track. and once
i started to got up to four hundred fifty
seven, and a train came. as always i got
distracted. there was alot of power in that
train, alot of influence, now i'll just have
to start counting again.

take it easy,
